An important message for UDC conference participants from Canada:

We just learned today that our bank in State College will put a long hold—and charge a steep processing fee—on checks from Canada unless they are specifically designated “U.S. Dollars.” (This cannot be written in by the registrant, but must be “official.”)

So we have to ask Canadian participants to please send money orders payable in U.S. dollars for conference registration. We sincerely regret any inconvenience this may cause.

With thanks and best wishes,

Jeanne for the Conference Coordinating Committee
